

Stakesby's News! 22nd Sept 2017 (304)

Dear Parents, Carers and Families,

What a brilliant day the children had on Wednesday! We had a visit from David who brought over 200 puppets into school and bags of enthusiasm for his craft. Following a show for the whole school to start the morning, every class had a workshop during the day. Everyone had their own puppet and learnt how to operate it, then each class performed a traditional story together. There were dragons, pirates, trolls, grannies, rats, wolves and much more. Lots of fun was had by all! The look of sheer delight on many children's faces was just brilliant to see. Check out the pictures on our Facebook page.

British Values...Democracy.at Stakesby

As a new school year gets underway, democracy can be seen all around in our daily learning. For example, in Year 3 over the last few weeks, the children have democratically chosen to study Roald Dahl and his wonderful books in Literacy lessons, decided they would like to learn more about Whitby Abbey in our local study and are voting for pupils to join 'The Friendship Team'. Our aim is to teach the children that they do have a powerful voice and that their opinion matters.

Supporting Your Child At Home...with Maths and More!

Let them play computer games! In case you're wondering we haven't gone mad in fact quite the opposite. Sumdog is a brilliant website where children can play games, earn rewards, have fun AND improve their Maths and Literacy skills at the same time-it's a win win!!! All children from Year 1 to Year 6 have their own personal username and password for 'Sumdog'. In case they forget, their log in details can usually be found on the inside cover of reading record books. They can play at home or at our lunchtime club.
