Dear Parents, Carers and Families,

Many thanks to everybody that took the time to fill in our parent/carer questionnaire. We are keen to improve what we do so your views are really important to us. As you will have seen from the summary we sent home, you gave us really brilliant feedback- 100% positive responses for virtually every question. It is gratifying to feel that our hard work is recognised and that you feel that we are giving you and your child the best experience that we can during their primary years. However, we are not standing still and will be continuing to get even better to ensure every child has the opportunity to develop their potential and ambition. Special thanks go to Mrs Leather for organising it and collating the results. Roy Gunning

British Values...Rule of Law

This week in class and assemblies, we have talked to the children about how to keep safe on Halloween and Bonfire Night. Although it is a time of great fun and excitement, it is important that our children are safe. There are strict laws around the sale and use of fireworks that are there to protect us all. Before you take your child near fireworks, take a few minutes to remind them of the Firework Code.

Supporting Your Child At Home....by having fun together!

Enjoying shared experiences, playing and talking to your child costs nothing but has such a positive impact on their learning.

On **Saturday 11th November** between **10am-1pm** at **Whitby Library**, you can **make a lantern** with your child to take along to the Whitby Lantern Parade! All you need to take along is a large, empty plastic pop bottle as everything else will be provided by the artists **FREE!** Your child will learn a new skill, develop resilience and use speaking and listening skills. Experiences like this strengthen your family relationships and give your child exciting real events to talk and write about!
