

Stakesby's News! 25th May 2018 (332)

Dear Parents, Carers and Families,

Thanks to everyone at home for supporting your children with their learning- we've had another busy and productive half term. Have a great break with your family and remember that the most important things you can give your children are your time, your attention and your interest. Screens don't provide any of these!

British Values...Democracy.at Stakesby

As part of our positive behaviour policy at Stakesby, classes can work together to try and win the 'Termly Treat'. Each child works hard in school to earn house points, or as we call them, 'Stakesby Stars', which they write their name and class on.

Stars earned go into a class box and each Friday one star is drawn out of each class box. If it is your star, you win a prize! At the end of the assembly every class box is emptied into a whole school box and given a shake. One star is picked from the school box. If the star belongs to a member of your class, a trophy is put on the 'Termly Treat' graph for your class.

At the end of each term, we see which class has the most trophies on the graph because they have won the 'Termly Treat'! The children in that class then democratically decide what they would like their treat to be. Last half term, Maple Class were the winners and they spent a wonderful afternoon this week wearing their own clothes (or pyjamas!), eating pizza and playing games brought from home. I wonder which class will win the 'Termly Treat' next? (Past treats have included trips to Falling Foss, Pannett Park, Sleepovers in school and more)

Supporting your Child at Home

Using the internet to support your child at home can sometimes feel daunting, confusing or even impossible! After all, there are so many things to choose from, how can you feel confident that you have found what's right for your child?

Our tip is to try... <http://www.topmarks.co.uk/>

Topmarks is a free to use educational search engine. Simply type in what you're looking for or just choose a subject and the age range of your child and click 'Go!' You will find lots of interactive games, resources and information to support your child in their learning. Your child may even recognise some of the games from school as teachers love 'Topmarks' too! Why not have a look?

WHAT'S HAPPENING IN THE FIRST WEEK BACK?
