

# Stakesby's News! 29th June 2018 (336)

Dear Parents, Carers and Families,

I mentioned that we had a very positive visit from the assessors for our Basic Skills Mark last week. Here are the amazing comments in the report summary:

Thank you for a most enjoyable visit to your super school. English and Maths have a central role within the context of a broad, balanced and creative curriculum. There is a very positive, happy and nurturing ethos in the school. The children are delightful. They are polite, considerate, well-mannered and articulate. They take a pride in their work and show enthusiasm for learning. The classroom environments are consistently excellent throughout the school. The learning walls for English and Maths are great. There is so much in your rich learning environments to support the children with their English and Maths Skills. Resources including teaching materials and ICT are of a high quality and are being effectively used.

Leadership and Management is extremely strong. There is an excellent team of dedicated professionals who set high standards for themselves and for the children. They all 'sing from the same hymn sheet'. There is such a lot of consistency throughout the school. Well done to all of you. You're doing a great job! The Quality Mark is justly deserved for a further three years.

I am so proud of everyone's dedication and hard work. Well done all!

Roy Gunning
